Fight For A Cure Event, is an annual family-friendly fundraising affair to increase awareness and raise money for The Princess Margaret Cancer Foundation.

This event proudly honours individuals who are fighting, who have fought, and who have passed away from cancer. The purpose is to shine a light on their fight and strength, as they are the prime examples of who true superheroes are.

This year will mark the fifth annual *Fight For A Cure Event*. With your support, we have raised a net cumulative amount of **\$95,000.00**. We could not have done it without the support from our sponsors, attendees, supporters and donors.

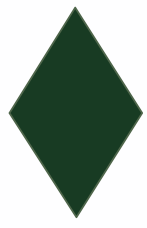

Join us to show your support and help us reach our goal of \$125,000.00.

We truly appreciate your participation and attendance.

Sincerely,

Sophia Rossi, Event Organizer
